

Nordic Association for Clinical Physics Symposium 2008

Come and join the 2008 symposium of the Nordic Association for Clinical Physics to be held June 4-5, 2008 in Aarhus, Denmark. NACP2008 will take place immediately before the 6th Acta Oncologica symposium on image-guided and adaptive radiotherapy (IGRT).

Programme highlights

- Opening lecture: The contribution of physics in medicine and biology, **Steve Webb**, Royal Marsden NHS Trust, London
- Closing lecture and panel discussion: The future of physics in medicine and biology, **Robert Jeraj**, University of Wisconsin, Madison
- Invited lectures organized in parallel sessions (radiotherapy, radiology, and nuclear medicine)
- Oral and poster presentations
- Award lectures of the national societies as well as the recipients of the Varian-grant
- Commercial exhibits by leading companies in the field of medical physics
- Symposium banquet and other possibilities for networking with your colleagues

Venue

The conference will be held at The Helnan Marselis Hotel, attractively located at Århus Bay and Marselisborg Forest three km south of the city centre. The hotel has 118 rooms and business suites with a magnificent view of the water. The format of the conference will allow ample time to enjoy the magnificent surroundings as well as the lively maritime atmosphere during the pleasant Danish midsummer.

Registration

Registration for NACP 2008 is open from at the symposium homepage <http://www.nacp2008.dk> . The deadline is **May 1st, 2008**, and the fee is DKK 2200.

Abstract

Deadline for abstract submission is **March 1st, 2008**. For details see the NACP 2008 homepage.

NACP 2008 local organizing committee:
Jolanta Hansen, Jørgen Petersen, Søren Baarsgaard Hansen, Theis Bacher and Ludvig Paul Muren
Århus University Hospital, Denmark
